

Seeking COLORFUL DIVERSITY

DIVERSITY is one of the most fundamental factors that define everyday kindergarten life at cocon. Diversity is reflected in all areas of our **concept**. cocon cares for 164 children in two houses – in Bogenhausen and Waldtrudering – yet there is still a familiar, informal atmosphere.

DIVERSITY among employees and the children

We are a liberal-minded, cosmopolitan house. We provide care in three languages for German-, English- and French-speaking children. Our employees come from all over the world and we see different cultures and mentalities as enrichment.
