

cocon is a private multilingual kindergarten and nursery in Munich. We consider ourselves partnered with the families who trust their children to us. The concept of cocon nursery and kindergarten is based on a holistic approach to early learning and educational development. We encourage the children's enthusiasm for the detection of their environment, by individually fostering their talents and creativity. Most importantly: we give parents and children the feeling that cocon nursery and kindergarten is their home away from home.

For our location at Munich-Waldtrudering and Munich-Bogenhausen, we are looking for a highly motivated:
